## HOW TO ORDER YOUR MOULDING

Ordering your moulding is simple.  
We just need the answers to a few questions:

1. Are you painting or staining your moulding?  
This will determine which timber you choose.  
If you are painting, choose Pine or MDF.
2. Choose the appropriate timber species
3. Choose your moulding number
4. Work out the quantity required.

If you wish to match an existing moulding,  
we require:

1. A sample or "to scale" drawing
2. Timber species required
3. Quantity required
